

People & experience

Staff resumes / September 2026

44 current resumes are included. Current resumes are not on file for Emma Lin (Studio Coordinator), Oliver Grant (IT Coordinator), Chloe Banks (People Coordinator). The staffing roster remains the employee-count authority.

All education and professional credentials in this demo are fictional. License numbers, private contact details and signatures are deliberately omitted. Years of experience are measured at September 2026.

Pages	Contents
2-45	One resume per employee, in employee-ID order
Employee IDs	FW-E001 through FW-E044
Experience	41 delivery employees have recorded project relationships; 3 operations employees have resumes without delivery-project claims
